San Francisco Unified School District

Supported by

The Chinese Language Teachers Association of California

Division of International Education (DoIE) at San Francisco State University and San Francisco Unified School District (SFUSD) are proudly presenting the 16th Chinese Language Bridge Cup Contest (CLBCC) for K-12 Students supported by the Chinese Language Teachers Association of California (CLTAC).

The contest will be held at Marina Middle School located at 3500 Fillmore St. San Francisco, CA 94132 on Saturday, March 7 and Sunday, March 8, 2020.

The purpose of the contest is to provide more opportunities for students to demonstrate their linguistic and cultural talents, and showcase their interest and achievements in learning the Chinese language and culture with help from their teachers and parents. An award ceremony will be held at Marina Middle School on Friday, April 10, 2020 at 4:00pm-6:30pm.

Through the Chinese Language Bridge Cup Contest, we hope that the study of Chinese will not just connect the students with the language, but also with the culture, literature, and rich history of China.

- The hosts welcome all K-12 students from all schools, public and private, to participate in all appropriate age-group contests.
- Participants will be placed in the grade division based on their grades at daytime schools.
- There will be one 1st place winner, a few 2nd and 3rd place winners and several honorable mentions awarded for each event per group.
 - 1st, 2nd and 3rd place winners will receive trophies and certificates;
 - Honorable mentions will receive certificates.
- Participants (grades 3-5, 6-8, 9-12 students) may register for two Chinese Calligraphy contests (both Brush and Pen) at the same time, but all those participants register for both pen and brush contests MUST complete two contests in 90 minutes.
- Participants may register for only one Poetry Recital contest (Mandarin or Cantonese).
- Poetry Recital contest is divided into "heritage speaker" and "non-heritage speaker" for both Cantonese and Mandarin contests. The explanation of "heritage" or "non-heritage" Chinese speaker is determined by the registered *Home Language Survey* provided by the school district and will be double checked with the school district if the eligibility of a student is questioned.
